

STYLIZED BATHROOM

The sober elegance enhanced by dark colours and glass Fumè

The sober elegance enhanced by dark colours and glass Fumè

The symmetry of the elements

The originality and asymmetry of shapes and textures

The materiality as protagonist

The contrast between colours and the naturalness of wood.
Modernity and simplicity

The cement effect as a central element

The finishing of wood in a light and gentle way

The wood grains blend harmoniously with the materiality of the top

The exagonality and the customisation of the texture in the fronts and sides as a creative element

The coexistence of exclusivity and refinement

The warmth and refinement of the washbasin grains
